INTERNET / CYBER SAFETY

Internet an amazing source of information, is a way to stay connected with friends and family. However, it has a flipside and comes with its share of problems. Internet safety is about children being smart about how to handle themselves online and protecting themselves from falling prey to any online scam.

STRATEGIES AT STUDENT LEVEL

Students should be encouraged to

- ❖ take responsibility for managing their digital reputation.
- ❖ trust each other respectfully online and offline.
- ❖ understand the importance of protecting their password.
- ❖ think about where they are travelling to and whether it is a safe place to spend their online time.
- ❖ be aware that people can pretend to be anybody they want online, so it is best to have only offline friends.
- ❖ share their experience of cyber bullying with adults.

STRATEGIES AT THE PARENT / FAMILY LEVEL

- ❖ Place computers in a central location at home.
- ❖ Be active in their child's life and should know who their friends are, both online and offline.
- ❖ Look out for signs of bullying such as
 - a. Loss of interest in school.
 - b. Not wanting to spend time with friends.
 - c. Anxiety around technology uses.
 - d. Being depressed.
 - e. Difficulty in sleeping.
 - f. Lower school performance.
- ❖ Keep evidence of cyber bullying.
- ❖ Set up an alert on Google.
- ❖ Educate their child not to leave her / his mobile phone lying around where others can use it, without permission.

IMPORTANT NOTE

1. Display of any disorderly conduct, doing of any act which causes or likely to cause physical / or psychological harm, raise apprehension or fear or shame or embarrassment to a student in or outside the school, which includes abusing, threatening, or playing practical jokes or leaving & causing hurt to any student is strictly prohibited.
2. Asking any student to do or forcing him to do something which a student will not in the ordinary course willingly do, is also a punishable offence.
3. Any such disorderly act found by the Institution, will be subject to an enquiry by a Committee constituted by the school.
4. If students involved are found to be at fault, the same will be reported to the competent authorities for necessary action.
5. In addition such students are liable to be dismissed from the school. They may not be able to get admitted in any Educational Institution for a period of five years.

*It is a greater work to educate a child.....
than to rule a state.*

RECOMMENDATIONS TO PARENTS

1. Since this is an English medium school, **every student should learn to speak and write good English.** Hence at home, he/ she should be given an opportunity to speak English and speak it correctly.
Parents should instruct their ward that, except for Hindi/Marathi classes, English alone should be spoken during the school hours.
2. Parents and Guardians are reminded that without their help and co-operation not much can be achieved by the efforts made by the school to mould and improve the character of the child. They are earnestly requested to instill discipline.
3. Parents are also earnestly requested to peruse and sign the reports of the child, or any other remarks made by the School Authorities in the calendar and do the needful in the matter.
4. Parents should not engage school teachers as private tutors, vide item 8 under School Information. We strongly discourage private tuitions. Instead, we would suggest that you inculcate in your ward the habits of self-study and regularity in study. Create a conducive atmosphere to study at home. Avoid all kinds of disturbances like T.V. radio, video, Internet etc. Let your child surf the net only for essential information under your supervision.
5. Parents are requested to refrain from giving any gifts to the members of the staff.
6. Parents are requested to refrain from celebrating their child's birthday in school in any way.
7. If any student is found to have done damage of any kind in class or in and about the school premises, the parents/guardian will have to make good the loss. Decision of the Principal regarding the amount to be paid will be final.
8. Criticism of your child's teachers in the presence of children should be avoided as it encourages them to lose respect for their teachers. In case of any grievance kindly meet the Principal.
9. Parents are advised to make it a point to attend the Virtual Open House. They will not be allowed to meet the teachers without prior permission from the Principal on other working days.
10. Parents and guardians are requested to notify the school of any change in their address and telephone number.
