A vibrant night sky filled with exploding fireworks in shades of red, orange, yellow, and green. The fireworks are in various stages of explosion, creating a dynamic and celebratory scene. The central focus is a large, bright yellow and orange firework that has just exploded, with a bright white core. Surrounding it are several other fireworks, some in the process of exploding and others already fully formed into starburst patterns. The colors are rich and saturated, creating a festive atmosphere. The text "CONGRATULATIONS !!!" is overlaid in the center in a bold, red, sans-serif font.
